**OUR VISION**

At Genius Girls School, we envision a future where our girls are equipped with the skills, knowledge, and confidence to participate fully in society. We see a future where they are able to clear the hurdles of life with ease, where they are able to excel in their chosen fields, and where they are able to make informed decisions about their own lives.

Our vision is to empower our girls to become leaders, innovators, and change-makers. We want them to be known for their remarkable achievements, their creative solutions, and their compassionate hearts. We want them to be self-dependent, financially independent, and emotionally intelligent. To achieve this vision, we are committed to providing our girls with a world-class education that prepares them for the challenges of the 21st century. We will focus on developing their critical thinking skills, their problem-solving abilities, and their communication skills. We will encourage them to take risks, to experiment, and to innovate. We recognize the importance of IT and digital literacy in today's world. Our girls will be equipped with the latest technology and digital tools to help them stay ahead of the curve. They will learn to code, to design, and to develop their own digital products.

Our ultimate goal is to make our girls self-dependent, so they can take care of themselves and their families. We want them to be financially independent, so they can make their own choices and decisions. We want them to be emotionally intelligent, so they can navigate the complexities of life with ease. Let us ignite the genius spark within our girls and watch them shine!" to make a positive impact in the world.

**OUR MISSION**

In a world where girls and women often face unique challenges and obstacles, our school is committed to empowering our students to become their own guiding lights. We believe that every girl has the potential to shine bright, to illuminate her own path, and to light the way for others. At Genius Girls School, our mission is to provide a nurturing and supportive environment where girls can discover their strengths, develop their passions, and unleash their full potential. We aim to inspire our students to become confident, courageous, and compassionate individuals who can make a positive impact in the world. The concept 'Be Your Own Light' is more than just a motto – it's a way of life. It means being brave enough to take risks, to challenge the status quo, and to forge your own path. It means being resilient in the face of adversity, and being kind to yourself and others. It means embracing your uniqueness, celebrating your strengths, and working on your weaknesses.

As a girls' school, we recognize the importance of providing a safe and inclusive space for our students to grow and thrive. We are committed to empowering our girls to become leaders, innovators, and change-makers who can shape the world around them. So, dear students, I urge you to embrace the concept 'Be Your Own Light.' Let it guide you as you navigate the ups and downs of life. Let it inspire you to be bold, to be fearless, and to be the best version of yourself. To our parents and teachers, I thank you for your unwavering support and commitment to our school's mission. Together, let us create a community that fosters growth, inclusivity, and empowerment. Let us shine our light, and let it illuminate the world!"

जीनियस गर्ल्स स्कूल की स्थापना का उद्देश्य बालिकाओं में विश्व व्यापी ज्ञान को विकसित करते हुए पौराणिक भारतीय संस्कृति को धारण कराना है, ताकि देश के निर्माण में अपनी बालिकाओं की भूमिका को सुनिश्चित करके विकसित और स्वर्णिम भारत के साथ हम विश्व गुरु बनने के सपने को अपने जीवन में साकार होते देख लें। भारतीय संस्कृति में नारी के सम्मान का गौरवशाली इतिहास रहा है, जिसको हम वर्तमान में भी देखना चाहते हैं। इस संकल्प को पूरा करने के लिए हमें जागरूक पुत्री प्रेमी अभिभावकों एवं समाज के प्रबुद्ध वर्ग का सहयोग अपेक्षित है।

**धर्मपाल गुप्ता ट्रस्टी, अक्रूर जी एजुकेशनल ट्रस्ट**

जीनियस गर्ल्स स्कूल चंदौसी द्वारा छात्राओं को जो मॉडल उपलब्ध कराया गया है, वह दुनिया की तकनीक का अध्ययन करने के उपरांत अनेक देशों की सफलतम तकनीकों से मॉडल तैयार किया गया है। जीनियस गर्ल्स स्कूल गुणवत्ता परक, नैतिक, आदर्श मूल्यों सहित शिक्षा देने के लिए संकल्पित है। मैंने भी अध्ययन किया तो ज्ञात हुआ विगत वर्षों में नार्वे का शिक्षा स्तर बहुत गिरा हुआ था वहां की सरकार ने शिक्षा में क्रांतिकारी निर्णय लिया और बच्चों को खेलने की छूट दी बस्ते का बोझ समाप्त कर दिया छात्र केवल स्कूल में ही पढ़ते थे, यानि छात्रों के मस्तिष्क से दबाव समाप्त कर दिया इसका परिणाम नार्वे की शिक्षा में अभूतपूर्व और ऐतिहासिक परिवर्तन आया और नहर्वे पूरे विश्व में ५ वें स्थान पर आ गया। जीनियस गर्ल्स स्कूल भविष्य में भी दुनिया की सफलतम शिक्षा सुधारों के प्रयास को जारी रखेगा मैं जीनियस गर्ल्स स्कूल में पढ़ने वाली सभी छात्राओं के उज्ज्वल भविष्य की कामना करता हूं।

**शोभा वाष्णोय, ट्रस्टी अक्रूर जी एजुकेशनल ट्रस्ट**

जीनियस गर्ल्स स्कूल चंदौसी की दृष्टि में बालिकाओं की शिक्षा अमूल्य धरोहर है। हम अपनी बालिकाओं में संस्कृति और सदाचार के मूल्यों सहित उन्हें आत्म-विश्वास, आत्म-सम्मान के साथ जीवन जीने की कला को विकसित करते हुए नए भारत के निर्माण के संकल्प को पूरा करने हेतु उनकी भूमिका सुनिश्चित करने के लिए तत्पर है।

नए भारत के निर्माण का सपना बिना नारी समाज के सहयोग एवं सम्मान के संभव नहीं है। जीनियस गर्ल्स स्कूल की बेटियां भी नये भारत की कल्पना को साकार करके सशक्त नारी बनेंगी, इस लक्ष्य की प्राप्ति हेतु नागरिक समाज को भी अपनी प्राचीन भारतीय संस्कृति को समझना होगा। जिसमें जल, अग्नि, वनस्पति, विद्या, पृथ्वी सभी को नारी के रूप में पूजते हुए सम्मान देने का काम किया है। अपनी प्राचीन भारतीय परंपरा को आगे बढ़ाते हुए बेटियों का उत्साह वर्धन करना है। बदलते समय में भारतीय संस्कृति पर आक्रांताओं की एवं यूरोपीय संस्कृति का प्रभाव है। जिससे नारी समाज के सम्मान में बदलाव आया है। हमारी प्राचीन शिक्षा व्यवस्था दिनों दिन भारतीय संस्कृति और सभ्यता से विमुख होती जा रही है। जीनियस गर्ल्स स्कूल प्राचीन एवं आधुनिक दोनों शिक्षा व्यवस्था के समान अवसर उपलब्ध कराते हुए अपनी छात्राओं के अधिकारों का संरक्षण करने के लिए प्रतिबद्ध है।

### सुनील मिश्रा, डायरेक्टर

हां ! मुझे गर्व है कि मैं एक ऐसे मिशन से जुड़ा हूँ जो न केवल समाज उत्थान की बात करता है बल्कि एक एक परिवार और आने वाली पीढ़ी को भी योग्यता के आधार पर सुसंस्कृत बनाने की गारंटी लेता है। और ऐसे मिशन को समयबद्ध तरीके से पूरा करने का संकल्प लिया है चंबौसी नगर में संचालित जीनियस गर्ल्स स्कूल ने। डायरेक्टर के रूप में इस स्कूल और इसकी प्रतिभावान छात्राओं के प्रति मेरा व्यक्तिगत समर्पण मुझे सत्कर्म करते रहने पर आत्मिक संतुष्टि देता है। बड़ी लागत से बनाया गया भव्य स्कूल भवन और उसका उत्कृष्ट स्तर एक बड़े व्यवसाय की भावना प्रदर्शित करता नजर आता है किन्तु वास्तविकता तो इसके इसके एकदम पलट है, जिसमें प्रबंध तंत्र का सुस्पष्ट मंतव्य जाहिर होता है।

बेटियों को पढ़ाने लिखाने को लिया गया संकल्प न केवल उनको अच्छे नंबरों में पास करा देने मात्र का है बल्कि इसके पीछे बच्ची की समझ, निपुणता और उसमें सर्वाधिक आत्मविश्वास पैदा करने का है। व्यवसायिक शिक्षा के रूप में स्कूल का संवर्धन, विकास का ध्येय न होकर शतप्रतिशत बच्चियों को उच्च स्तरीय और प्रायोगिक शिक्षा देकर उन्हें उनके पैरों पर खड़ा करना है। यही वजह है कि जीनियस स्कूल में इस वर्ष से प्ले ग्रुप शुरू करने से आगे 92वीं तक ले जाने का प्लान तैयार है। स्कूल में पहले दिन से ही बच्ची में परिवर्तित सोच, व्यवहार और आत्मविश्वास देखा जाने लगा है। आप भी गर्व करें कि आपके क्षेत्र में पूर्ण सुरक्षित और संरक्षित स्कूल संचालित है।

### Padmavati Singh, Academic Co-ordinator

I envision a future where each student not only excels academically but also develops into a well - rounded , responsible and compassionate Global Citizen , ready to make a positive impact on world. We aim to provide a robust and engaging learning environment that fosters critical thinking, problem - solving skills, and a life long love of learning. We believe in nurturing the whole child , fostering not only academic abilities but also creativity, leadership and social - emotional intelligence. We had wide range of extracurricular activities , including sports, arts , music, and clubs to allow students to explore their interest and talents. We strongly emphasis on character development, teaching students value such as integrity , respect empathy and responsibility.

We gave opportunities for students to engage in the community service and make a positive impact on the world around them. We aim to prepare students to be responsible and engaged citizens of the world , with an understanding of different culture and perspectives.

We also provide opportunities to students to learn about and appreciate different cultures and perspectives. We also try to engage students in discussions about global issues and empowering them to become active participant in finding solutions. We provides a rich, diverse and challenging education through excellent and innovative teaching and learning promotes a " Can do " Attitude and inspires each one to achieve their best. Our vision is to be recognised as an Institution of high quality education and all round development of students. Thank you.

## THE GENIUS SPARK VISION-2025

### STUDENT'S, TEACHER'S & PARENTS CORNER

#### My Day Boarding School

A Place of Learning, Values, and Growth  
My school is a day boarding school where we learn not

just lessons from books but also important values like Shiksha (Education), Sanskar (Values), and Sadhchar (Good Character). It is a special place where we grow both academically and personally. In my school, teachers teach us with love and care, helping us understand subjects like Math, Science, and English. But what makes our school different is the way we are taught to be kind, honest, and respectful towards others. We learn the importance of discipline, hard work, and good behaviour. Every day, we participate in activities like sports, arts, and group discussions, which help us develop our skills and confidence. Our school also teaches us how to be responsible citizens who care for society and the environment. I am proud to be a student of my day boarding school because it not only educates us but also shapes us into good human beings.

Happy Together  
In our little class, we share and care, Every friend is precious, rare. We sing our songs with voices so

sweet, Dancing together with tapping feet. Morning light and twinkling stars, Happy together, no matter where we are. Our little world is full of delight, Each moment with friends feels just right!

By: Avika, Class. Nur.

#### Co curricular Activities

Co-curricular activities are an integral part of our school's curriculum, and we offer a wide range of options to cater to diverse interests. These activities are designed to help you develop new skills, build relationships, and explore your passions. Participating in co-curricular activities can have a profound impact on your personal growth and development. You will learn valuable life skills, such as teamwork, communication, and problem-solving, which will benefit you throughout your life. Our school's co-curricular activities are designed to be inclusive, engaging, and challenging. We encourage you to step out of your comfort zone, take risks, and push yourself to new heights.

#### Be Your Own Light

Our school motto, means "Be your own Light" This powerful Sanskrit phrase inspires us to find strength, courage, and

guidance within ourselves. In life, we often seek answers from others, but true success comes from self-belief. "Aatmadeepbhava" reminds us that we are the architects of our own destiny. It encourages us to ignite the inner flame of knowledge, determination, and positivity, lighting the way toward our goals. This motto is not just words; it's a way of living. It teaches us to face challenges with confidence, embrace our uniqueness, and shine brightly in everything we do. Whether in academics, sports, or personal growth, we must be our own source of inspiration. Let's carry the spirit of "Aatmadeepbhava" in our hearts, becoming shining examples of hope, strength, and inner light.

#### Good Values, Bright Future

Let virtue shine in our way, With values bright, our dreams will stay. Let the lamp of knowledge glow, Through good deeds, we shall grow

Truth, kindness, and compassion we embrace, Spreading love in every place. We respect our elders with all our heart, With values high, we play our part. At Genius Girls School, we rise with grace, Learning virtues in every space. Let wisdom's light forever stay, Driving all darkness far away.

#### Homework

Homework is an essential part of the learning process. It helps you reinforce the concepts you learn in class, develop critical thinking and

problem-solving skills, and improve your time management and organization. By completing your homework, you are taking ownership of your learning and setting yourself up for success.

#### Completing Homework in School

As a school, we are committed to supporting you in your academic venture. That's why we encourage you to complete your homework in school, during delegated homework periods or with the guidance of your teachers.

#### By doing your homework in school, you can:

- Get help from your teachers and peers when you need it
- Stay focused and avoid distractions
- Develop good study habits and time management skills
- Reduce stress and workload outside of school

We are here to discuss something very important and exciting for all of us — a significant change that Genius Girls school has

adopted this year: the NCERT syllabus. As we step into this new phase, I would like to take a moment to explain why this decision was made and how it will benefit each one of us. According to New Education Policy, NCERT textbooks strongly recommended for classes 1st to 8th.

The National Council of Educational Research and Training (NCERT) aims to provide quality education to every student in our country. This syllabus strengthens our foundational concepts and gives every student the opportunity to learn within a uniform education system.

One of the major benefits of the NCERT syllabus is that it helps students build strong fundamental concepts. The content provided is in simple and understandable language, making it easier for students to grasp important concepts.

The NCERT syllabus focuses not just on academic knowledge, but also on the overall development of students. It emphasizes a practical approach, critical thinking, and problem-solving skills — which are essential for students' growth. The NCERT syllabus is designed to be accessible to every student, regardless of their background. It ensures that students from diverse backgrounds are included and given an equal opportunity to explore their full potential.

The NCERT syllabus is regularly updated to incorporate the latest trends and developments in education. This ensures that students are provided with relevant and up-to-date knowledge, which is crucial in today's fast-changing world.

In today's world, there is a need to modernize and make the education system more inclusive, and the NCERT syllabus is a significant step in this direction. By adopting this syllabus, Genius Girls school has taken an important step towards providing quality education to the students.

Therefore, it is essential that we all take full advantage of this syllabus and work towards improving our academic and personal growth.

Thank you!

#### Environment Pollution

Environment pollution happens when harmful substance make the air water and land dirty this pollution can come from cars and factories. Its hurts animals by making them sick and harms plant by damaging the soil and water they need to grow. People pollute environment by throwing thrash, using too much plastic, and driving cars that release smoke. Stopping pollution is very important to keep our earth healthy and safe.
